

ONLINE RESOURCES

U.S. Legal Services is making our online legal library accessible to all employees. These resources will help individuals and their families prepare DIY legal documents; i.e. wills, powers of attorney, bill of sale, etc. and also research legal topics in various states.

LEGAL LIBRARY

Employees have 24/7 online access to DIY legal documents which can be downloaded directly from the USL site. Employees also have access to a vast, state-specific legal document resource library which provides over 10,000 articles and documents for an array of legal subjects.

NEW

Now offered to **ALL** employees, no enrollment required.
